

MEMORANDUM

SEATTLE-KING COUNTY
DEPARTMENT OF PUBLIC HEALTH

TO: Rod Hansen, Manager, King County Solid Waste Division
Attention: Laura Peterson, Cedar Hills

FROM: Wally Swofford, Coordinator, Toxic/Hazardous Materials Program

DATE: 7-9-84

SUBJECT: WASTE MATERIAL CLEARED FOR LOCAL LANDFILL

This is to advise you that we find the waste material listed from the following company currently acceptable for landfill at Cedar Hills:

<u>COMPANY</u>	<u>MATERIAL</u>	<u>AMOUNT</u>	<u>FREQUENCY</u>
ALASKAN COPPER WORKS ✓ 3200-6th Avenue South P.O. Box 3546 Seattle, WA 98124 Contact James Brown 623-5800	Sump sediment from stainless steel treatment operation. Also dirt, paper, etc. from floor sweepings. Laboratory test data, including fish bioassay submitted and approved. <u>Note:</u> Waste material proposed to be stored in cardboard containers and placed in 40 yard dumpster - to be picked up by Bayside Disposal Company.	Generally about 200 lbs. However, current accumulation may exceed this amount for 1-2 months.	Monthly

Waste verbally cleared 7/9/84.

Specifications on these waste materials were submitted to us for review. The above substances were found not to meet the State DOE definitions for either extremely hazardous waste or dangerous waste or Federal EPA criteria for hazardous waste.

Please note that it is only the above described waste materials that are approved for disposal. Any other type of questionable waste from these companies will require separate review and analysis.

If you have any questions or need additional information, please call me at 587-2722.
